PRESS RELEASE - SAILING INC. NAMED VX ONE DISTRIBUTOR

SAILING INC. HAS BEEN APPOINTED VX ONE DISTRIBUTOR FOR EASTERN UNITED STATES & CARIBBEAN

Cleveland, October 5, 2018 - Sailing Inc. is proud to announce their appointment as distributors of VX One sailboats in the Eastern United States & Caribbean. They will be distributed out of two primary locations in Cleveland, OH and Charleston, SC.

The VX One is a fresh and exciting performance one-design for the domestic and international racing enthusiast. The VX One was the unanimous winner of the 2012 Sailing World "Overall Boat of the Year" and "Best One Design" as well as Sail magazine's 2012 "Best Boat" award. The VX is a robust, easy to sail high performance 19' "ballast assisted" dinghy that is highly responsive and powerful, with the conveniences of furling and self-tacking jib.

The VX One is supported by multiple established brands with decades of experience, Ovington Boats, MacKay Boats, Bennett Yachting, Inc., Vela Sailing and now, Sailing Inc. With fleets growing throughout North America, Europe, Australia, and New Zealand, this collaboration will further set the VX One on a firm platform for significant domestic and international growth.

"The VX One is providing a platform that is quite unique in a world flooded with 20 ft sport-boats. These boats are easy to sail by men and women of all ages, abilities, and crew weights. The VX One is truly one-design sailing evolved." - David Reich, Former Class President. Learn more at <http://vxone.org/na/>

Sailing Inc. will work closely with Ovington Boats (UK) and MacKay Boats (New Zealand) to ensure timely delivery of a boat that is affordable, durable, and technically advanced, at a realistic price.
