David:

Thanks for your request for Portsmouth Numbers for the VX One. We have established the following provisional numbers –

<b>VXONE</b>	<b>BN HC</b>			
<b>D-PN</b>	<b>0-1</b>	<b>2-3</b>	<b>4</b>	<b>5-9</b>
<b>77.0</b>	<b>78.4</b>	<b>75.9</b>	<b>75.5</b>	<b>75.5</b>

The class code will be VXONE, placed in the Keelboat list . Please use this code when reporting race results. Please encourage clubs to submit actual race data, included average wind speed for each race, so that we can build a valid statistical database.

The US SAILING web site is currently being transferred to a new Content Management System. These numbers will not be posted to the web site until that process is complete. I can be contacted if there are any questions.

Sail Fast, Sail Fair, Have Fun.

Regards,

*Carl*
